About Festival

VII International Festival-competition

"We draw the world!" 2020 is now virtual!

International Festival-competition of Fine Art is FREE distant annual event that is dedicated to discover and deploy all talented and gifted children in the Art of painting.

It is an effective model of competitive selection talents in art of painting by providing creative atmosphere during the Festival for the best young artists from all over the world.

The Festival features several stages of performances your works of art (painting), including final stage where you can visit in person our town Tomsk and enjoy the hospitality of Siberian community.

Our aims and purposes

- Discover and deploy talented and gifted children around the world.
- Set up proper conditions for attending as much as possible competitors from all over the globe who are able to perform their works distantly.
- Provide an effective model of competitive selection among talented and gifted young artists and build a professional support and assistance they need.
- Develop an intellectual and creative communication for talented and gifted children by providing favorable working environment as effective conditions for improving their artistic creativity.

Dates

- The 1 stage "**Potential**" in fact is the registration your artworks from the 1st March 2020 to the **30th August 2020**
- The 2nd stage "**Talent**" – on-line webinars and extra tasks from the 1st of September 2020 to 30th of **September 2020**
- The 3d stage "**Gift**" – artistic creativity selection from the end of October to the beginning of **November 2020** (mainly, it is the period of school holidays)

Dates are tentative and subject to change

Location

All stages of the Festival-competition are held in the virtual (on-line) forms and conducted by registration on our website <http://lyceum.tom.ru/> as well as performing your works of art and getting done the creative tasks.

However, the final stage is possibly be set up directly in our host organization – Governor Lyceum of Svetly located in town Tomsk, Russia.

If you choose this form of participating, please notify the organizer of the Festival. Siberian unique and beautiful atmosphere will invite you to feel your truly inspiration.

The first stage

Participating in the first stage - **“POTENTIAL”** of the Festival-competition “We draw the world” is available for all students at the age of 10-17 years old from all parts of the Globe. You should register on our website <http://lyceum.tom.ru/> and upload not more than FIVE paintings (artworks) of any technique or style of painting.

After preliminary examination your works are divided on nominations and perform in the Gallery section on the site. There you will also get our feedback and hold discussions for the proper judgement.

- You will find information about winners of this stage posted on the main page of the Festival virtual platform.

The second stage

The second stage **"TALENT"** is the artistic creativity selection while on-line communication and performing creative tasks which every winner of the 1st stage will get through their personal account. In the result of the 2nd stage the panel of jury decide who are the most talented and potentially resoursful students to form the group of participants for the final (third) stage of the Festival.

Final stage

The 3 stage - **"GIFT"** is the artistic creativity selection which is held during 3 days for the most talented (from the results of the 2 stage and the winners/prizers of nomination "Talent" and "Gift" in 2019 final stage) children who will get through the professional tasks and be provided with pofessional support.

General regulations

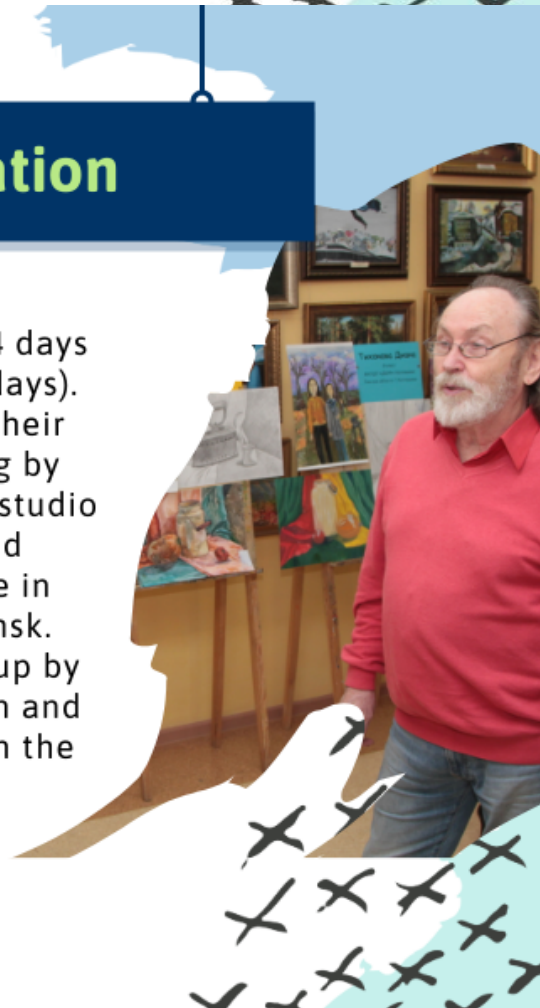

All the winners who decide to participate in person (not distantly) will be responsible for their own travel expenses to our location. Accommodation, food and excursion program for the participants are granted by the organisers of the Festival-competition "We draw the world". Escorting side will cover all the expenses by their own.

In the result of the 3 stage of the competition all the participants will get prestigious prizes and the winners and prizers in nomination "Talent" and "Gift" will also get an international diploma.

General information

The program of the Festival lasts 3-4 days (including the arrival and departure days). Moreover, participants will develop their education in the Fine arts of painting by having workshops, master classes and studio events with professional artists and entertainments of cultural exchange in excursion to the siberian city of Tomsk. Content of the contest tasks is made up by Organisers of the Festival-competition and brought to the competitors exactly on the beginning of the contest.

Criteria of evaluation

Only works created individually by one author (not group of authors) will be evaluated by the jury!

Criteria of evaluation:

- Independence of working
- Artistic creativity
- Original idea
- Coverage of the theme of your work

- Organizers of the Festival establish special encouragement for the mentors and supervisors as well as organizations whose presenters will be succeeded in the Festival.

Additional information

Applying for the Festival-competition "We draw the world" you confirm the agreement for the publishing your name and surname and other data in case you win.

Organizer have rights to publish any other information about the contest. You confirm the agreement with present conditions by the fact of uploading your works of art to the official site of the Festival-competition (<http://lyceum.tom.ru/> in section of the Festival)

No register fees
